

2009-2010 Annual International Caravan Registration Form

Each Caravan ministry must renew their registration annually. Complete the registration process within one month of your first weekly meeting. Optimally, you should register in August or September 2008- but not earlier. Failure to register may prevent you from receiving Caravan information and/or awards.

Instructions:

1. Register on-line at <http://caravan.nazarene.org>.

- Registered Caravan ministries are issued a username and password for the website.
 - Directors can use the website to track student progress, order congratulatory letters and Bresee awards, learn more about Caravan ministries, and communicate with other Caravan directors.
 - Online registration requires a credit card to pay the \$15 registration fee.
2. If you cannot register online, you can also mail a completed registration form and a \$15 registration check to the Caravan Office. Please call **(800) 644-4510** or E-mail caravan@nazarene.org for the current Caravan Office address, as Nazarene Headquarters is changing locations.
3. Fill out all information (*especially an E-mail address*) and print neatly.
