In many countries, it is difficult for economically deprived Nazarene pastors to access and sustain quality education for their children. The Nazarene Pastors' Children Sponsorship Program assists pastor's children with their primary and secondary educational costs. It helps pay for tuition, school supplies, uniforms, and sometimes food and transportation. The ultimate objective of the program is to equip children to be responsible and contributing members of their families, churches, and communities, embracing Christ's mandate to live a life of compassion.
