*USA & Canada Nazarene Churches and NewStarts reporting average AM attendance greater than zero*

*The number and percentage of churches with over 1,000 worshipers appears larger because it includes a size range larger than range of 25 used for each of the other groupings.*

USA & Canada Nazarene Churches and NewStarts reporting average AM attendance greater than zero

\*In 1978 reporting AM worship attendance was relatively new and more than 600 churches did not report an average greater than zero.

NOTE: The number and percentage of churches with over 1,000 worshipers appears larger because it includes a size range larger than range of 25 used for each of the other groupings.
