

Team Session 7

Create Lesson Plans

(Continuation of Team Session 6)

Outcomes

Team members will

- divide units into lessons with titles
- define topic and content for each lesson
- write learner objectives for each lesson
- select general teaching strategies

Resources

- Initial ideas and topics list
- Course rationale
- List of instructional units
- List of titled lessons with content or topic suggestions for each unit
- Sample lessons from Modular Course of Study modules

Products

- A list of title lessons with learner objectives and suggested teaching strategies
