CHURCH OF  THE NAZARENE

NARGIZA'S STORY

Nargiza was 13 when she tried to commit suicide twice by overdosing on medicine. Each time, after swallowing the pills, she laid down expecting to fall asleep and die. But after just 30 minutes, she woke up and was fine.

Empty and alone, she thought, "Wow, I can't even kill myself properly."

Not long after, a classmate invited Nargiza to attend church with her.

"The first time I came there, I felt love and acceptance," Nargiza recalls. "And I wanted to go back there every time."

Nargiza was 16 when she gave her life to God and was baptized.

"The reason why I wanted to commit suicide is because I believed no one loved me. But when I came to Christ, I realized how much He loves me. [So] I didn't just go to church, I really committed my life to Jesus," she said.

Later, she graduated from a Christian seminary. Today, she serves in a Church of the Nazarene.

You are the hands and feet of Christ. Together, by supporting Nazarene missions, we bring Christ's love to new areas — to stay. Churches are established. Programs, resources, initiatives, and more are created and maintained to reach people like Nargiza and help them grow in Christ.

"The difference between my life before Christ and after I accepted Him is that I have hope," Nargiza said. "Through all the difficulties, God is with me, and I feel His love in my life."
